Welcome to DoubleTree by Hilton™

DoubleTree by Hilton prides itself on paying attention to the little details that have a big impact, from presenting its beloved warm Chocolate Chip Cookie to guests upon arrival to Creating a Rewarding Experience (CARE) for hotel guests and the communities the brand proudly serves.

And we’ve found globally that it works. The DoubleTree by Hilton brand is rapidly expanding within the upscale, full-service hotel category, now with a footprint in enticing gateway cities – from New York City and London to Boston and Bogota. These properties offer unique, contemporary accommodations and full-service facilities, including restaurants and lounges, room service, health clubs, business centers and meeting and banquet space. Hilton HHonors members who book directly through preferred Hilton channels receive instant benefits, including an exclusive member discount that can’t be found anywhere else, free standard Wi-Fi and digital amenities like digital check-in with room selection and Digital Key (selected locations) available exclusively through the industry-leading Hilton HHonors app.
