It all starts with the warm DoubleTree Cookie...

The simple gesture of offering a warm DoubleTree Cookie at check-in has become synonymous with our commitment to providing guests with a warm welcome and an unforgettable stay. For more than 30 years, the warm DoubleTree Cookie has played a starring role in differentiating our brand's hospitality from the competition.

A FEW "TID-BITES" ABOUT THIS HOSPITALITY ICON

- In 1986, we introduced our signature amenity to guests as a way to build brand loyalty through a nightly turn-down service.
- In 1995, the warm DoubleTree Cookie was transferred to the front desks, illustrating and reiterating our welcoming and caring service.
- A select group of bakeries around the world currently holds the brand's secret recipe, which ensures that the same delicious DoubleTree Cookie is delivered at every DoubleTree by Hilton hotel worldwide.
- From New York and China to Tanzania and Spain, the signature, warm DoubleTree Cookie welcome is presented to our guests around the world and baked fresh daily at each hotel.
